SPICE UP YOUR LIFE

When you're feelin' sad and low
We will take you where you gotta go
Smilin' dancin' everything is free
All you need is positivity

Colours of the world Spice up your life
Every boy and every girl Spice up your life
People of the world Spice up your life
aaahh!!!

Chorus
Slam it to the left if you're havin' a good time
Shake it to the right if ya know that you feel fine
Chicas to the front uh uh go round
Slam it to the left if you're havin' a good time
Shake it to the right if ya know that you feel fine
Chicas to the front Hi Ci Ya Hold Tight

Yellow man in Timbuktu
Colours for both me and you
Kung Fu Fighting dancing Queen
Tribal Spaceman and all that's in between

Colours of the world Spice up your life
Every boy and every girl Spice up your life
People of the world Spice up your life
aaahh!!!

Chorus

Flamenco, Lambada, but Hip Hop is harder
We moon walk the foxtrot then polka the salsa
Shake Shake Shake Shake, Shake Shake Shake Shake

Colours of the world Spice up your life
Every boy and every girl Spice up your life
People of the world Spice up your life
aaahh!!!

Chorus x2

STOP

You just walk in, I make you smile
It's cool but you don't even know me
You take an inch, I run a mile
Can't win you're always right behind me

And we know that you could go and find some other
Take or leave it or just don't even bother
Caught in a craze, it's just a phase
Or will this be around forever

Don't you know it's going too fast
Racing so heard you know it won't last
Don't you know why can't you see
Slow it down, read the sign
So you know just where you're going

Chorus
Stop right now thank you very much
I need somebody with a human touch
Hey you always on the run
Gotta slow it down baby, gotta have some fun
Do Do Do Do Do x3 - always be together
Ba da Ba Ba x3 - stay that way forever

And we know that you can go and find some other
Take or leave it 'cause we've always got each other
You know who you are and yes, you're gonna breakdown
You've crossed the line so you're gonna have to turnaround

Don't you know it's going too fast
Racing so heard you know it won't last
Don't you know why can't you see
Slow it down, read the sign
So you know just where you're going

Chorus

Gotta keep it down honey, lay your back on the line
'Cause I don't care about the money, don't be wasting my time
You need less speed, get off my case
You gotta slow it down baby, just get out of my face

Chorus x2

TOO MUCH

Love is blind, as far as the eye can see
Deep and meaningless, words to me
Easy lover, I need a friend
Road to nowhere, twist and turns but will this never end

Well my dear you'll know that he pleases me
But short term solution ain't no resolution
There ain't no release for me

Chorus
Too much of something is bad enough
But something's coming over me to make me wonder
Too much of nothing is just as tough
I need to know the way to feel to keep me satisfied

Unwrap yourself from around my finger
Hold me too tight or left to linger
Something fine built to last
Slipped up there I guess we're running out of time too fast

Yes my dear you know he soothes me
There's no complication there's no explanation
It's just a groove in me

Chorus

What part of no don't you understand
Understand, understand
I want a man not a boy who thinks he can
Boy who thinks he can

Chorus

Too much of nothing so why don't we give it a try
Too much of nothing we're gonna be living a lie

Repeat to end

SATURDAY NIGHT DIVAS

Chorus
Get down get deeper and down, get down get deeper and down
Saturday night
Get down deeper and down, get down get deeper and down
Saturday night

I'm not alone, now you're not in my mind
You were the victim of your crime, I left you behind
Boy you were a fool, to treat me that way
I'm not gonna let you, I'm gonna forget you
There's nothin' to say

You're a twisted lover, kiss and tellin' on a superstar
That's what you are
Well it was Saturday night, I know the feeling was right
I didn't know we'd get so far

Chorus

Take it from me, you know I mean what I'm sayin'
Better watch out, you'd better wise up
To mind games he's playin'
He may have the looks, he may have the charms
But where does he go
What does he do, when he's not in your arms

Keep your head up high, don't you know you are the superfly
And that aint no lie well it's a Saturday night,
you know the feeling it's right, don't you know we'll get so high
Get down get deeper and down, get down get deeper and down

Chorus

Ah ah ah ah ah ah, Ah ah ah ah ah ah
You're a twisted lover, kiss and tellin' on a superstar
That's what you are
Well it was Saturday night, I know the feeling was right
I didn't know we'd get so far

Chorus x2

Wanna get down, wanna get down, wanna get down
Saturday night

NEVER GIVE UP ON THE GOOD TIMES

She used to be a chancer, sparkle in the rain
Told me she needed a friend
If she's going crazy, baby's on the way
Seems like the day never ends

Everybody needs some affection
Never shy, gotta try whenever you're going

Chorus
Never give up on the good times
Gotta believe in the love you find
Never give up on the good times
Living it up is a state of mind

Bossanova baby, heart is never soul
Shouting but he's never heard
Eyes all wide and open, streets are paved with gold
Someone come back on their word

Everybody needs some affection
Never shy, gotta try whenever you're going

Chorus

Down and dirty city, feeling outta place
Maybe you've ran outta time
Treats her like a lady, smile upon her face
Make up the last of the lines

Everybody needs some affection
Never shy, gotta try whenever you're going

Chorus

Hey now look around, pick yourself up off the ground
I said hey now look around, pick yourself up off the ground
I said never give up

MOVE OVER

Generation next, generation next
Repeat x4

Hold it down, feel the noise
Let 'em know it's a fight, pick it up it's alive
Hold it down, feel the noise
Let 'em know it's a fight, pick it up it's alive

Chorus
Move over yeah, don't do it over
'Cause it's over yeah yeah yeah
Generation yeah

Next phase, next stage, next craze, next wave

Let me tell you 'bout a thing, gotta put it to the test
It's a celebration, motivation generation next
We're sowing the seed, every colour every creed
Teach never preach, listen up and and take heed

Take the heat, feel the flow
'Cause you're ready to burn and we're ready to go
Take the heat, feel the flow
'Cause you're ready to burn and we're ready to go

Chorus

Let me tell you 'bout a thing gotta put it to the test
It's a celebration, motivation generation next
You gotta know the rules if you wanna play the game
Respect and dedication never riding on a fame

Dedication, celebration,
illumination, good vibration
Mel-o-vation, domination,
baby nation, recreation,
imagination, crazy nation

Chorus

Generation next, generation next
Repeat x4

DO IT

Come on and do it
Repeat x2

It's just another thing keep your eye fixed on the road
Do what your mama said, I will not be told
Keep your mouth shut, keep your legs shut
Go back in your place
Blameless, shameless, damsel in disgrace

Who cares what they say
Because the rules are for breaking
Who made them anyway
You gotta show what you feel
Don't hide

Chorus
Come on and do it, don't care how you look, it's just how you feel
Come on and do it, you gotta make it real
Come on and do it, it's time to free what's in your soul
You gotta get it right this time, come on freak out lose control

Remember things like this should be seen and never heard
Give a little respect to me & it will be returned
Keep your head down, keep your nose clean, go back against the wall
Girl there's no way out for you, you are sure to fall

Who cares what they do
Because it's yours for the taking
So it's not for you anyway
Make your own rules to live by

Chorus

You might do the wrong thing for the right reasons
Don't just do the right thing to be pleasing
Who cares what they say
Because the rules are for breaking (I'll tell ya)
Who made them anyway
You gotta show what you feel don't hide

Chorus

DENYING

You think you're quick
But I'd like to see you keep up with me
You think you're slick
But I'd like to see you put a trick on me
You think you're so cool
Hey big man you're old school
You think you're smart
But who the hell do ya think you're talking to?

Everyone can see who you are, take a look at yourself
Tell me why keep on denying

Chorus
Everything you say, everything you do
So be a fool to yourself forever more
Any kind of move, so what's it gotta prove
You ain't fooling nobody, you ain't fooling nobody, but yourself!

I know you're sweet
But I know you don't want to be seen that way
Admit defeat, win or lose
Who cares? It's just a game you play
I know you need me
If you stay that way it's never gonna be
You've got your style
But I know what you really want from me

Everyone can see who you are, take a look at yourself
Tell me why keep on denying

Chorus

Check yourself, but don't forget yourself, cause you're denying
Check yourself, but don't forget yourself
Everyone can see who you are, take a look at yourself
Tell me why keep on denying

Chorus

VIVA FOREVER

Do you still remember, how we used to be
Feeling together, believing whatever
My love has said to me
Both of us were dreamers
Young love in the sun
Felt like my saviour, my spirit I gave you
We'd only just begun

Hasta mañana, always be mine

Chorus
Viva forever, I'll be waiting
Everlasting, like the sun
Live forever, for the moment
Ever searching for the one

Yes I still remember, every whispered word
The touch of your skin, giving life from within
Like a love song that I'd heard
Slippin' through our fingers, like the sands of time
Promises made, every memory saved
Has reflections in my mind

Hasta mañana, always be mine

Chorus

Back where I belong now, was it just a dream
Feelings unfold, they will never be sold
And the secret's safe with me

Hasta mañana, always be mine

Chorus

THE LADY IS A VAMP

Elvis was a coola shaker
Marley, Ziggy, melody makers
She's a Bond babe, kick some ass
Doctor No, this girl's got class
Charlies Angels, girls on top
Handbags, heels, their pistols rock
"Baby Love", so glam queen
Sing the blues, a love Supreme
Sixties, Twiggy set the pace
Way back then she had the face

That's all in the past, legends built to last
But she's got something new
She's a power girl in a nineties world
And she knows just what to do

Chorus
'Cause the lady is a vamp, she's a vixen not a tramp
She's a da da da da da da
Come on fellas, place your bets, 'cause you ain't seen nothing yet
She's the top of the top, she's the best, yes

Jackie O., we loved her so
So did Mr. President, as far as we know
Norma Jean had a seven-year itch
Some like it hot to a fever pitch
Sandy, Danny, summer love
Pink Ladies, T-birds, the moon above

That's all in the past, legends built to last
But she's got something new
She's a power girl in a 90's world
Shes a down town swinging dude

Chorus

Scary, Baby, Ginger, Posh, Sporty, yes, now that's your lot
We're the Spice Girls, ready to go
Ladies and gents can you please take your seats
And we hope that you enjoy the show
Thank you very much
